As the starting back for the Carolina Panthers, Derrick holds the expansion rushing record for a running back, which stands to this day. Derrick concluded his NFL career during two outstanding years with the Arizona Cardinals. He was an All-American Running Back for Northeastern State University and was provided the unique opportunity of being the Keynote Speaker at his own commencement. His other collegiate honors included becoming the most valuable player in both the Hula Bowl and Blue-Gray All Star football classics. Derrick is a committed Christian. He and his wife, Stephanie, are proud parents of three children. Stephanie is also a well-published author. Derrick will leave any audience fired up to realize their goals.

The Staff and Church family of First Baptist Church would like to invite the family and friends of the 2008 SCHS Senior Class and members of the community to join us for the 2008 SCHS Baccalaureate Service.
